Airport Sponsor

RE: ARE Consultants

Dear Sponsor,

Over the past four years ARE Consultants has performed Independent Fee Estimates (IFE) for the Lafayette Airport Commission. ARE Consultant has performed the work timely enabling the Commission to receive Federal Grants as the fiscal year was closing. The IFE's were completed timely and prior to the time estimates in which the Commission had requested them.

We would not hesitate to work with ARE Consultants at any time and will continue to work with them for Independent Fee Estimates.

Sincerely,

Beth Callais
